EMERGENCY LANDING PACK

Introducing the Eflare Emergency Landing Zone kit – providing safe and visible landing areas for aircraft and helicopters in emergency situations. The kit includes high-visibility LED lights that quickly and clearly mark out temporary landing zones, such as accident scenes or rescue operations, with secure bases for enhanced stability.

Key Features

- ✓ Deploys quickly, compact and versatile
- ✓ Facilitates precise landing guidance from afar
- ✓ Stable under rotor wash, no anchors needed
- ✓ Ensures safer and more organized ground crew operations
